Keenan Kelton

Submitted by Lelia Richardson

Keenan Kelton is an exemplary student and is a wonderful addition to the SBCC community. As an Umoja Scholar, Keenan goes above and beyond to be of service to the program as a volunteer, role model and mentor. He strives to balance both vulnerability and courageousness as a veteran, student worker, and full time returning student. Keenan is appreciated for his humor but most importantly his generosity of time, encouraging words of wisdom and humor!
